Laboratory Testing Inc. COVID-19 Visitor Disclosure and Screening Form

The health and well-being of our employees, families, visitors, and our communities are a significant priority for LTI, as well as compliance with Gov’t/Health Agency Orders in response to COVID-19 (‘coronavirus’). We must also work safely to continually fulfill customers’ testing needs. Gloves are also recommended if handling tools or test materials onsite. *CDC Face Covering Information: https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html
